SUBJECT: **DEPARTMENT OF HEALTH SERVICES-
DELINQUENT SELF-PAY ACCOUNTS FOLLOW-UP**

In August, your Committee asked us to review the implementation status of the eight recommendations from our July 2001 report on the Department of Health Services' (DHS) Delinquent Self-Pay Accounts. Our initial audit included findings and recommendations related to improving DHS' self-pay collection policies and procedures, establishing client payment plans and expediting referrals to the County's outside collection agency.

DHS management indicates that the Department is making progress in implementing our recommendations and that most of the recommendations will be implemented by March 31, 2002. Therefore, to provide the Department the opportunity to implement most of the recommendations, unless otherwise instructed, we will delay completion of our follow-up review until after DHS' planned implementation date.

Based on this delay, we expect to issue our follow-up report in time for the Audit Committee's May meeting.

Please call me if you have any questions.
